## PRINTER & BUS FUNDRAISING

**Thank You to Our One-Time Donors – Help Us Reach Our Goal!**

We extend our heartfelt gratitude to our generous printer fundraising donors who contributed in the previous months toward the purchase of a much-needed printer for SmartKids Ghana.. Unfortunately, we received no donations in the month of April. Your support brings us one step closer to equipping our scholars and educators with essential learning tools.

However, we still need \$573 to reach our goal of \$1,000 for the printer. This equipment will play a crucial role in providing study materials, lesson plans, and administrative resources to enhance the learning experience for our scholars.

We invite you to join us in making this goal a reality. Every contribution, big or small, makes a difference! If you'd like to support this cause, please consider donating today.
