- We extend our heartfelt gratitude to our generous one-time donors who contributed \$100 in February toward the purchase of a much-needed printer for SmartKids Ghana. Your support brings us one step closer to equipping our scholars and educators with essential learning tools.

However, we still need \$900 to reach our goal of \$1,000 for the printer. This equipment will play a crucial role in providing study materials, lesson plans, and administrative resources to enhance the learning experience for our scholars.

We invite you to join us in making this goal a reality. Every contribution, big or small, makes a difference! If you'd like to support this cause, please consider donating today.
