Total		3,500.00

Activity Descriptions

Ayeduase Introductory Trip – GHS 600.00

This covered the cost of two orientation visits to Ayeduase, a new SmartKids community. These visits were essential in building rapport with the community, introducing our programs, and selecting potential students for enrollment.

Activity Descriptions

St. Theresa Expenses – GHS 1,260.00

Recurring weekly expenses at St. Theresa included transportation, school supplies, and coordination costs for program facilitators. This school is a key partner in our Ghana program, and the support ensures the students are consistently engaged, monitored, and mentored.

Transport to Esaase – GHS 600.00

Esaase is one of the more remote communities we serve. Transportation costs for staff were incurred weekly to ensure continuous mentorship and program delivery. The expense also includes vehicle hire and fuel.

Refreshment for Esaase – GHS 300.00

Providing light refreshments for students during our sessions helps maintain energy and enthusiasm, especially during longer activities. It also reflects our commitment to student wellbeing, particularly in communities with fewer resources.

January Birthday Celebration – GHS 740.00

This one-time event celebrated students with birthdays in January across our Ghana communities. The cost covered food, drinks, small gifts, and decorations. These celebrations help build a sense of belonging and joy within the SmartKids community and reward students for their commitment to learning.

Summary

The total expenditure of GHS 3,500.00 for January reflects SmartKids Ghana's commitment to hands-on, community-based support for education. These funds directly enabled school visits, outreach, and joyful student experiences. As part of our Ghana financial report, this month's activities demonstrate how even modest resources can drive meaningful change at the grassroots level.

NB: These expenditures are classified as operational costs in our main financial report.

Appreciation to Our Donors

We extend our heartfelt gratitude to all our donors whose contributions made these activities possible. Your generosity allowed us to reach new communities, maintain consistent support for our students, and create joyful moments that inspire learning and belonging.

Thank you for being a vital part of the SmartKids Ghana journey. Your support is making a tangible impact on the ground—one student, one school, and one community at a time.
