## March Financial Report (Ghana Expenses)

This report presents the Ghana-based operational expenditures for the month of March 2025. During this period, SmartKids Ghana focused on strengthening learning environments through hands-on science engagement, school partnerships, and introductory outreach sessions in new communities.

### Detailed Breakdown of Expenses

Activity	Amount per Week (GHS)	Total for 4 Weeks (GHS)
Ayeduase Introductory Trip	300.00	1,200.00
Demonstrative Lesson – Amakom Vibe Montessori	—	400.00
St. Theresa Expenses	420.00	1,260.00
Science Experiment Supplies	—	640.00
March Birthday Celebration	—	740.00
<b>Total</b>		<b>4,240.00</b>

### Activity Descriptions

#### **Ayeduase Introductory Trip – GHS 1,200.00**

Following January's initial outreach, February included four weekly visits to deepen engagement with the Ayeduase community. These visits supported student onboarding, teaching sessions, and meetings. Transportation, snacks, and learning aids were included in the cost.

## Activity Descriptions

### ***Demonstrative Lesson – Amakom Vibe Montessori – GHS 400.00***

This demonstration introduced SmartKids' interactive teaching style to students and educators at Amakom Vibe Montessori. The session allowed us to showcase our teaching methods and explore future partnerships.

### ***St. Theresa Expenses – GHS 1,260.00***

Our weekly presence at St. Theresa included mentoring, lesson delivery, and materials support. This expense reflects consistent investment in a key SmartKids partner school.

### ***Science Experiment Supplies – GHS 640.00***

Funds were used to purchase materials for interactive science sessions. The goal was to promote critical thinking and engagement through practical, hands-on experiments which is an essential component of our STEM-based approach.

### ***February Birthday Celebration – GHS 740.00***

This one-time event celebrated students with birthdays in March across our Ghana communities. The cost covered food, drinks, small gifts, and decorations. These celebrations help build a sense of belonging and joy within the SmartKids community and reward students for their commitment to learning.

## Summary

**NB:** All listed expenses are officially recorded as operational costs in SmartKids Ghana's core financial records. These are foundational to our monthly activities and long-term impact.

## Thank You to Our Donors

To all our incredible donors—thank you. Your generous contributions made this work possible. From science supplies to student celebrations, your support continues to change lives by creating meaningful educational experiences and growing new learning communities.

We are honored to have you as part of the SmartKids Ghana family. Together, we're creating a brighter, smarter, and more joyful future.
