FINANCIAL REPORT 2025

July Financial Report (Ghana Expenses)

This report outlines the **Ghana-based operational expenditures** for July 2025. This month marked the beginning of our **Summer Zoom Learning Program**, which required increased logistical support, digital access, and daily engagement with students and coordinators. The following breakdown reflects the costs that sustained our expanded programming during this busy and impactful period.

Detailed Breakdown of Expenses

Activity	Amount per Week (GHS)	Total for 4 Weeks (GHS)
Transportation	400.00	1,600.00
Monthly Trip Cost (Admin/Monitoring Visits)	—	500.00
Staff & Coordinators Refreshment at Esaase	160.00	640.00
Data for Zoom Program	—	400.00
Scholars' Snacks & Water (Zoom & Esaase)	300.00	1,200.00
Coordinators' Stipends	—	300.00
Total		4,640.00

Activity Descriptions

Transportation – GHS 1,600.00

This covered weekly travel for volunteers, teachers, and staff involved in both in-person and Zoom coordination, especially to Esaase, where our Summer Learning Program was active.

**Monthly Trip Cost – GHS 500.00**

Administrative and supervisory visits were made by the SmartKids leadership team to ensure partnerships and meet with school leaders. These trips are essential for long-term planning and oversight. These trips facilitated on-ground monitoring and site support.

Staff & Coordinators Refreshment at Esaase – GHS 640.00

Staff and volunteers working long hours in the field especially during the summer received light refreshments to sustain their efforts and boost morale.

Data for Zoom Program – GHS 400.00

To deliver the Summer Zoom lessons, data packages were provided to scholars and administrative staff. This ensured uninterrupted sessions and strong connectivity for scholars during lessons.

Scholars' Snacks & Water – GHS 1,200.00

Daily lessons require energy and hydration. Snacks and water were provided to participating scholars during lessons at Esaase, helping create a positive and focused learning environment.

Coordinators' Stipends – GHS 300.00

Modest stipends were provided to local coordinators managing logistics, daily attendance, and follow-up during the summer program. Their role was essential in keeping students engaged and learning smoothly.

NB: All expenses above are recorded under operational costs in our main financial records. July's spending reflects seasonal programming needs, especially those required for summer zoom teaching.

THANK YOU TO OUR DONORS

We extend our warmest gratitude to every donor who made July's work possible. Your contributions supported not just transportation and snacks, but meaningful learning for dozens of scholars during the summer.

Because of you, SmartKids Ghana was able to deliver structured, supportive, and joyful learning even outside the regular school year. Thank you for investing in education that does not take a vacation.
