JANUARY FINANCIAL

REPORT

SmartKids Ghana January Financial Report (Ghana Expenses)

For the month of January, expenses incurred in Ghana were primarily related to planning and preparatory activities for upcoming operations. The focus during this period was on coordination, logistics assessment, and ensuring that staff had the necessary resources to effectively contribute to planning discussions and execution strategies.

Ghana Expense Report – January

Activity	Amount per Week (GHS)	Total for 4 Weeks (GHS)
1	Monthly Trip Cost	500.00
2	Data Bundle for All Staff	1,600.00
 Total		GHC 2,100.00

Monthly Trip Cost: A total amount of **GHC 500.00** was spent on monthly trip costs. This covered transportation and movement required to support planning meetings, site visits, office furnishing meetings and coordination activities essential to laying the groundwork for future engagements. These trips were necessary to facilitate in-person discussions and ensure productivity.

Data for All Staff: An amount of **GHC 1,600.00** was allocated for data bundles for all staff. This expense ensured that team members remained connected throughout the planning phase, enabling effective communication, online meetings, research, and timely sharing of documents and information. Reliable internet access was critical for collaboration and smooth planning during the month.

Overall, the total expenditure for January amounted to **GHC 2,100.00**, all of which directly supported planning and preparatory efforts for upcoming activities in Ghana.

APPRECIATION TO OUR DONORS

We extend our heartfelt gratitude to all our donors whose contributions made these activities possible. Your generosity allowed us to reach new communities, maintain consistent support for our students, and create joyful moments that inspire learning and belonging.

Thank you for being a vital part of the SmartKids Ghana journey. Your support is making a meaningful impact!
