During this month, the team focused primarily on strategic planning and coordination in preparation for the launch of our upcoming Zoom teaching program scheduled for next month, March 13, 2026. Activities included administrative meetings, program structuring, partnership planning, and coordination between local and international volunteers to ensure a smooth rollout.

<b>Grand Total(GHc)</b>		<b>500.00</b>

### Expense Description

Monthly Trip Cost (Planning & Coordination Meetings) – GHS 500.00

This cost covered administrative travel for in-person planning meetings, partnership engagement and coordination sessions related to the upcoming Zoom teaching program. These meetings were essential to finalize curriculum structure, align teaching schedules and ensure technical readiness ahead of program launch.

Note

All February expenses are classified as operational costs in SmartKids Ghana's main financial reports. Though program delivery was limited this month, these foundational activities are critical to ensuring effective implementation in the coming months.
