SPOTLIGHT OF THE MONTH

CAREER DEVELOPMENT PROGRAM SMARTKIDS GHANA X HRDBYABENAH

HRdbYAbenah

In June 2026, SmartKids Ghana, in partnership with HRdbYAbenah, successfully delivered a three-day Career Development Program at Kessdas Senior High School from Wednesday, June 10, to Friday, June 12. Mrs Emanuela Kusi provided students with practical guidance on career planning, personal development, employability skills, and making informed decisions about their future. Through interactive discussions and engaging activities, students were encouraged to discover their strengths, explore career opportunities, and develop the confidence needed to pursue their educational and professional goals.

The response from both students and school leadership was overwhelmingly positive. The sessions were described as highly impactful, educational, and inspiring, prompting the school to request additional workshops so that more students who were unable to attend the initial three-day program can also benefit. This strong feedback reflects the growing need for career guidance among young people, and we are excited to continue this partnership by expanding the program to reach more senior high school students and launching future sessions for university students. We are grateful to everyone who contributed to making this initiative a success and look forward to its continued impact.

LOOKING AHEAD

Recruit new monthly donors

Every child's future is strengthened by consistent support. Today, **only 11 of the 30 scholars** in our programs have committed monthly sponsors, leaving many bright and deserving children still waiting for someone to invest in their educational journey. Monthly giving provides the stability we need to deliver quality education, mentorship, and life-changing opportunities throughout the year.

We invite you, your family, organization, or network to become a monthly donor. A gift of \$15 or more each month creates lasting impact and helps ensure that every child has the opportunity to learn, grow, and thrive. If you're unable to give at this time, you can still make a difference by sharing our mission with others. Together, we can build a stronger community of supporters and ensure that no child is left behind.

ZOOM TEACHING PROGRAM WADIE ADWUMAKESE METHODIST PRIMARY SCHOOL

We are pleased to share that we have successfully completed **Four weeks out of Six weeks** of our Zoom Teaching Program at **Wadie Adwumakese Methodist Primary School**. Throughout the program, our dedicated Zoom teachers have delivered engaging and interactive lessons while adapting the curriculum to address the specific needs of the students and their school community.

This month, we placed a special emphasis on Health literacy, developing lessons tailored to the school's most pressing health challenges and the realities of limited access to basic necessities. By teaching practical habits that help prevent common illnesses and promote healthy living, we are equipping students with knowledge they can apply in their daily lives. This is the heart of SmartKids Ghana's mission, to provide relevant, needs-based education that empowers children with the skills and knowledge they need to build healthier, brighter futures.

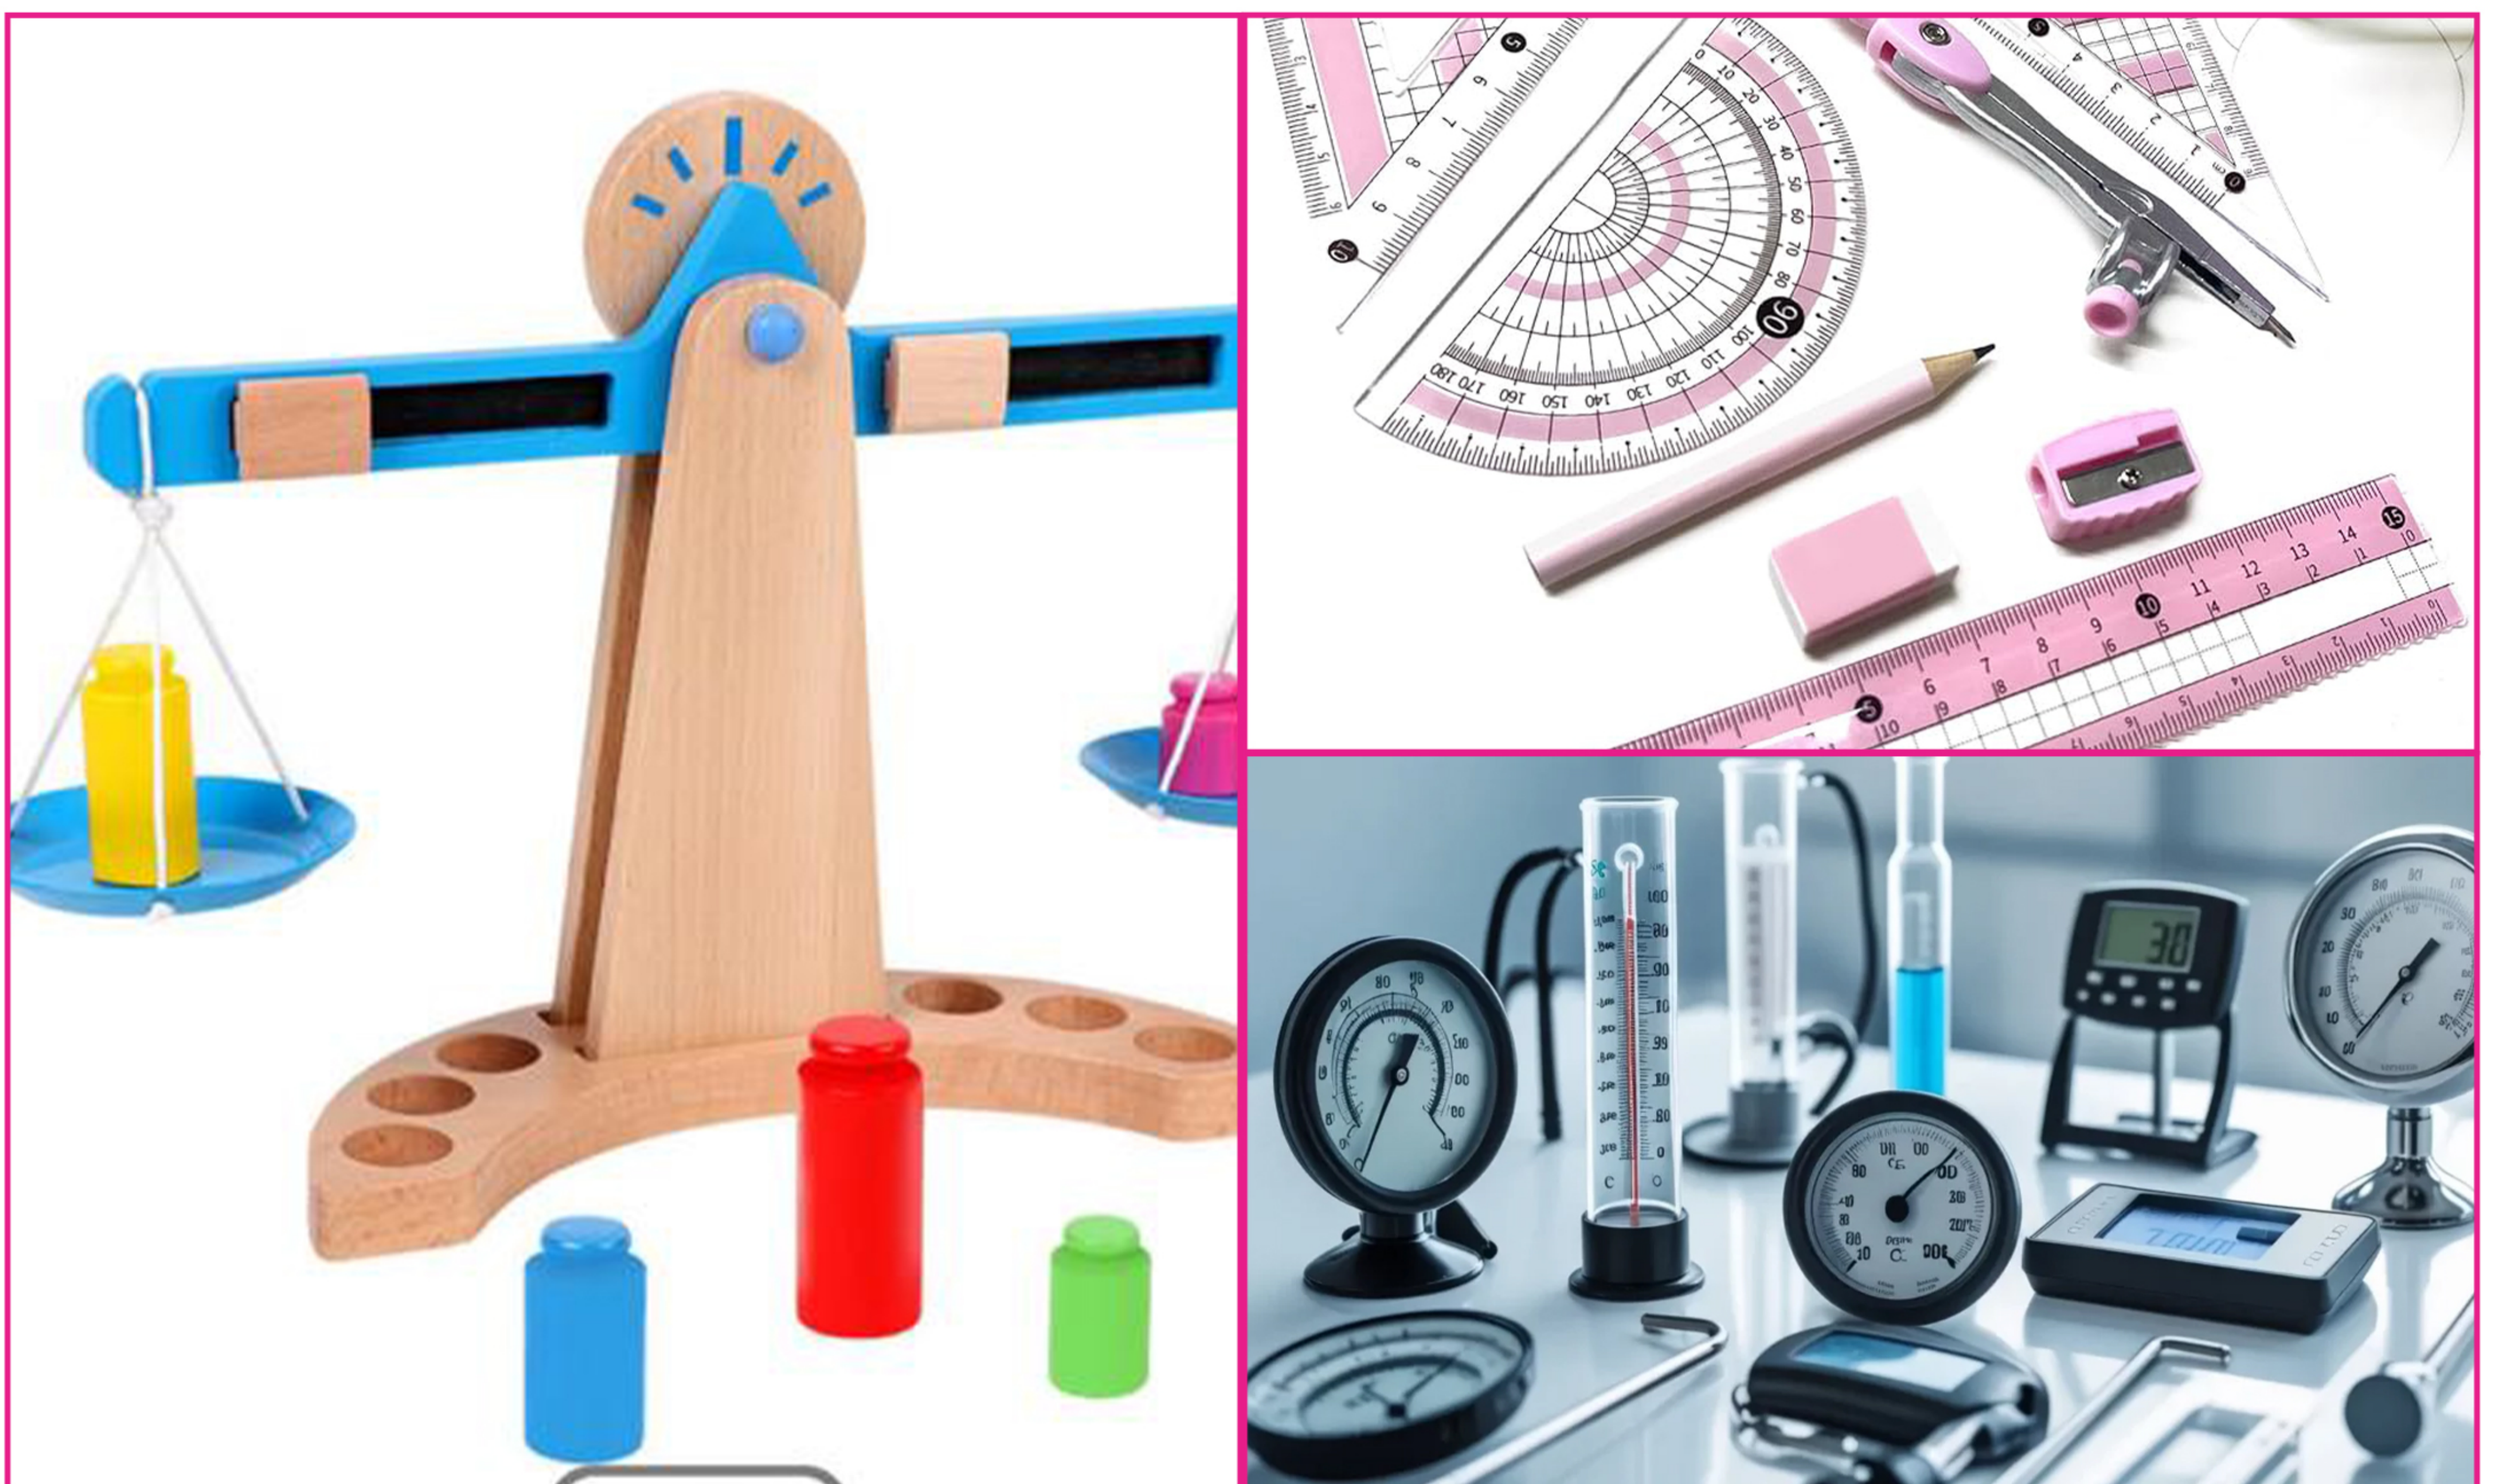

ALUMNI GIVING CIRCLE PROJECT

We are excited to report that our Alumni Giving Circle has raised **\$1,010.00 toward its \$2,000.00 fundraising goal to support a hands-on Math and Science Curriculum Project.** The project will be taught by our alumni volunteers through Zoom, providing scholars with engaging, interactive lessons that strengthen their understanding of mathematics and science while encouraging curiosity, critical thinking, and problem-solving.

The funds raised have already been used to purchase essential lesson implementation supplies, including mathematical sets, rulers, protractors, compasses, measuring cups and spoons, and scales for mathematics, as well as thermometers, stopwatches, pipettes, multimeters, and safety goggles for science activities. These resources will allow students to participate in practical, hands-on learning experiences that bring classroom concepts to life. We are deeply grateful to everyone who has contributed on their behalf so far and look forward to reaching the remaining \$990.00 needed to fully fund this impactful project.

BIRTHDAY FOR IMPACT CAMPAIGN

CELEBRATE YOUR BIRTHDAY. CHANGE A CHILD'S FUTURE.

Turn your next birthday into a gift that lasts a lifetime by joining our **Birthday for Impact** campaign. Instead of receiving gifts, invite your family and friends to donate in honor of your special day and help provide education, mentorship, technology, and life-changing opportunities for children in Ghana. Through two exciting fundraising pathways; **Birthday of Impact – Zoom Teaching** and **Birthday Laptop for Scholars** every participant becomes a champion for children's learning and helps create brighter futures for students across Ghana.

The Birthday of Impact – Zoom Teaching campaign enables two birthday celebrants each month to raise **\$350** each, together funding the **\$700** needed to deliver six weeks of SmartKids Ghana educational programming in a public school. Participants can choose a beneficiary school from a curated list or nominate a public school in Ghana, directly supporting program delivery, transportation, and educational activities.

Through the **Birthday Laptop for Scholars** campaign, supporters can raise \$350 to purchase a laptop, with the flexibility to fund multiple devices. Every laptop will be deployed to expand access to free digital education, equipping students with the technology and digital skills they need to thrive in the 21st century. As a lasting reminder of their generosity, participants will receive a personalized photograph of the laptop(s) they helped provide, recognizing the collective impact of their birthday celebration. These initiatives inspire a growing community of supporters to celebrate life's milestones by creating meaningful, lasting change for the next generation.
