LOOKING AHEAD

Recruit new monthly donors

Every child's future is strengthened by consistent support. Today, only 9 of the 30 scholars in our programs have committed monthly sponsors, leaving many bright and deserving children still waiting for someone to invest in their educational journey. Monthly giving provides the stability we need to deliver quality education, mentorship, and life-changing opportunities throughout the year.

We invite you to become a monthly donor. A gift of \$15 or more each month creates lasting impact and helps ensure that every child has the opportunity to learn, grow, and thrive. If you're unable to give at this time, you can still make a difference by sharing our mission with others. Together, we can build a stronger community of supporters and ensure that no child is left behind. Create a measurable impact via:

We are excited to announce the return of our Career Development Program, a partnership between SmartKids Ghana and HrdbyAbenah, as we continue equipping young people with the knowledge, confidence, and skills they need to thrive beyond the classroom. Throughout the program, students will participate in interactive workshops, career exploration sessions, leadership development activities, and practical discussions led by Mrs Kusi. The initiative is designed to help students discover their strengths, make informed academic and career choices, and develop essential workplace and life skills. We are thrilled to once again partner with HrdbyAbenah to inspire the next generation of leaders and look forward to empowering many of OKESS students with the confidence and tools to pursue their dreams.
