SMARTKIDS GHANA MAY FINANCIAL REPORT (GHANA EXPENSES)

This report provides an overview of Ghana-based operational expenditures for the month of May. During May, SmartKids Ghana continued the implementation of its Zoom teaching program while also strengthening student engagement and organizational visibility. Activities included ongoing Zoom Teaching lessons, coordination with scholars, student ambassadors and volunteers, and the successful distribution of certificates to recognize student participation and achievement.

The month also focused on improving administrative operations and reinforcing the organization's public presence through branding and communication efforts.

BREAKDOWN OF APRIL EXPENSES

Activity	Amount per Week (GHS)	Total for 4 Weeks (GHS)
1	Monthly Trip Cost (Planning & Coordination Meetings)	500.00
2	Data Bundle (5 Staff)	2,000.00
3	Office Banner	200.00
4	Transportation for Certificate Distribution	600.00
GRAND TOTAL		2,850.00

SMARTKIDS GHANA

MAY FINANCIAL REPORT (GHANA EXPENSES)

Expense Description

1. Data Bundle (5 Staff) – GHS 2,000.00

This expenditure covered internet data packages for five SmartKids Ghana staff members to support ongoing program coordination and communication. The data bundles enabled staff to conduct Zoom and staff meetings, communicate with partners, student ambassadors, teachers, manage lesson schedules, and collaborate effectively on administrative tasks. Reliable internet access remained essential to ensuring efficiency and continued engagement with partners throughout the month.

2. Transportation for Certificate Distribution – GHS 600.00

This cost covered transportation expenses related to the distribution of certificates to students who successfully participated in SmartKids Ghana programs at Okyerekrom R/C School. The distribution process involved travel to set locations to ensure that scholars received their certificates in a timely and organized manner. This activity served not only as recognition of student achievement but also as encouragement for continued participation and academic commitment.

3. Office Banner – GHS 200.00

This expense covered the design and production of an office banner for SmartKids Ghana's Office and Learning Center Launch. The banner was used to improve organizational visibility, support program branding, and create a more professional environment for meetings, program activities, and community engagement. It also helps strengthen public awareness of SmartKids Ghana's educational initiatives and outreach efforts.

Note

All May expenses are classified as operational and costs in SmartKids Ghana's May financial report. These expenditures contributed directly to sustaining virtual learning activities, supporting student recognition initiatives, and improving organizational operations.

Thank You to Our Donors

We sincerely appreciate our donors and supporters for making these activities possible. Your continued partnership allows SmartKids Ghana to provide quality learning opportunities, recognize student achievement, and strengthen the systems needed to support long-term educational impact.

We remain committed to expanding access to learning and empowering more scholars through innovative educational programs.
